Dear Rotarians,

It is with great gratitude that we, the organizers of the International Youth Charity Orchestra, thank the Haugesund-Sør Rotaryklubb for your willing participation in facilitating the travels of pupils from Skeisvang Videregaende Skole to participate in the orchestra.

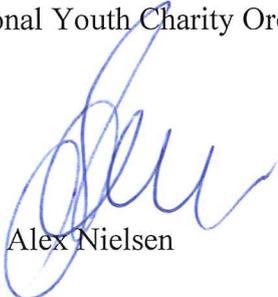

We have seen that the young people enjoyed themselves during the concert series and are sure friendships have been born.

We are attaching a brochure showing the orchestra's performances in Neubrandenburg, Berlin and Szczecin.

On behalf of the organizers of the International Youth Charity Orchestra.
